

SEC 5-1-9

REFUSE STORAGE AND COLLECTION

(a) Refuse Storage Areas. Storage areas shall be kept in a nuisance and odor-free condition. Litter shall not be allowed to accumulate. Collection crews will not be responsible for cleaning up loose materials from any containers which have become ruptured or broken due to wet conditions, animals, vandalism or other cause. The occupant and/or owner shall be responsible for cleaning up this litter. Litter not collected shall not be allowed to accumulate. Violation will result in the occupant and/or owner being notified to clean up his or her area, with continued violation resulting in the owner being prosecuted under the provisions of this chapter and other Village ordinances.

(b) Placement for Collection. Residential solid waste shall be collected by private haulers as contracted individually by the land owner. Refuse shall be placed in containers immediately behind the curb of the public street.

(c) Restriction on Time of Placement. All receptacles and containers for refuse shall be placed in collections locations as designated in Subsection (b) above and only after 4:00 p.m. on the evenings prior to the regular collection time the following day. All receptacles, bags and containers for refuse and garbage disposal shall be removed from the curbside collection point within 24 hours after the regular collection time.
